Part II.

SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:

Examiner contacted applicant's representative to verify the proper documents for examination as highlighted in the submitted Request for Republication. This call was prompted because IFW contains the documents for subject application and for application 10/812,181. Applicant's representative mentioned the lack of feedback to their 03/20/2006 petition to republish application with the correct data.

Part III.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.

☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.
